The Scottish Government Health Workforce Pay, Practice and Partnership Division

TEMPORARY INCREASE TO NHS SCOTLAND MILEAGE RATES

- 1. A temporary increase to NHS Scotland mileage rates was first announced by <u>DL(2022)11</u> and subsequently extended by <u>DL(2022)24</u>.
- 2. The maintenance of these enhanced rates was then included as part of the Agenda for Change pay offer recently implemented in NHS Scotland. This letter therefore confirms to the service that the rates set out in Annex A will be maintained until such time as the UK Staff Council agrees a revised system for reimbursing travel costs.

Action

3. NHS Boards and Special Health Boards should take note of the provisions set out in the letter and ensure that these are applied, as indicated.

Yours sincerely

LAURA ZEBALLOS

Deputy Director
