Medicine Supply Alert Notice

Benzylpenicillin sodium 1200mg and 600mg powder for injection

Priority: Level 2

Valid until: 16 December 2019

Issue

1. Thornton and Ross, the sole supplier of benzylpenicillin injection, are currently out of stock of all strengths of the injection.
2. Limited supplies of 600mg remain available in wholesalers.

Advice and Actions

3. Pharmacists and pharmacy teams should order the 600mg product from wholesalers, but only for what is required to meet anticipated demand until the resolution date.
